We particularly pray, at this time, for persecuted Christians and people around the world for whom Christmas is a time which polarises their poverty and loneliness and thank God for the good souls, including those in our Parish family, who work to support them.

### **The True Richness of Christmas**

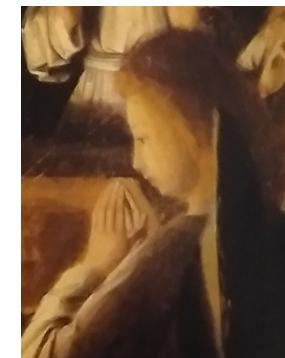

Its genuine poverty, the nativity scene helps us to rediscover the true richness of Christmas. A different Christmas from the consumerist and commercial one.

It helps us to become intimate with God, with the fragile simplicity of a small new-born, with the meekness of his being laid down, with the tender affection of the swaddling clothes.

Rediscover the surprise and amazement of littleness through the nativity scene. The littleness of God, who makes himself small, who is not born in the splendour of appearances, but in the poverty of a stable.

Pope Francis

**Max and Liz Siwicki send greetings to Fr Jack, Sarah and all parishioners of our two churches.**  
**We wish everyone a peaceful and holy Christmas season and a warm and healthy 2023.**  
**Happy Birthday Jesus!**

May Fr Jack, Sarah & family, and all parishioners have a very happy and peaceful Christmas & New Year. Let the true spirit of Christmas live in our hearts.

With Love from Les Whittaker & family
